Benefits of Changing to Kinetrex Pipeline Natural Gas

Savings Save between **10 - 30%** compared to utility gas costs.

Reliable Kinetrex is the sole provider and backup of natural gas supply to the local utility in Indianapolis, keeping businesses and residential housing fully supplied.

Pricing Options Flexible pricing to help with budgeting, which is not offered by the local utility.

**Local** Kinetrex is the only third-party natural gas supplier based in Indiana.

Simple Switch in 3 simple steps...

1. You provide us your gas bill and we determine your savings
2. We'll contact your local utility and make an easy paper change – there are no sign up charges or changes to your building gas lines!
3. Start saving money!

Our Service Area

PNG

Times have changed from when businesses had no options in choosing their natural gas provider. Natural gas was deregulated in Indiana in 1996, giving all qualified businesses the option of choosing a third-party gas marketer to purchase their natural gas supply, separate from their local utility. That means YOU can shop-around and save up to 30% on your monthly gas costs.

Switch to Kinetrex Pipeline Natural Gas and Save!
